Whereas in 2015, the Council of the Town of Kirkland and 33 other municipalities from Northeastern Ontario supported a resolution requesting the four (4) Laning of Highway 11 from North Bay to Cochrane;

And Whereas after meetings with MTO and OPP officials to review traffic counts and other statistics, this portion of Hwy 11 did not meet the requirements for consideration;

And Whereas Hwy 11 is the preferred truck route connecting Ontario to Manitoba and Western Canada, and almost all goods and services travel by truck through the Temiskaming and Cochrane Districts;

And Whereas the amount of transports and tourist traffic has been steadily increasing over the last few years, raising safety issues for those using this two (2) lane highway;

And Whereas when major accident investigations occur, the road is closed for periods of 8 to 10 hours, with no detours being available in many areas, resulting in isolation of our residents;

And Whereas the two plus one roads program has been successful in many European countries;

NOW THEREFORE BE IT RESOLVED that the Council of the Town of Kirkland Lake supports the City of Temiskaming Shores in its endorsement and petition to the Government of Canada, the Government of Ontario and the Ministry of Transportation of Ontario to develop a pilot project involving a two plus one roads program, somewhere between North Bay and Cochrane;

AND FURTHER, that this resolution be sent to the Members of Parliament of Nipissing-Timiskaming and Cochrane-James Bay; the Members of Provincial Parliament for Nipissing, Timiskaming-Cochrane and Timmins-James Bay; the Premier of Ontario; and the Minister of Transportation of Ontario and the City of Temiskaming Shores.
